GENERAL ORDER INFORMATION

1. There are three product lines: Training Library, Lab Competency and PPMP Competency.
2. Review the pricing structure below to determine which options meet your needs.
3. If ordering training &/or competency, minimum order is two modules; use table to indicate your selections.
4. If 5 or more modules are ordered in either training or competency, you will receive the entire product line.
5. If the total number of training plus competency modules ordered is 8 or more, you receive everything in both product lines.
6. If there are more than 30 discrete users covered by this SL#, add \$100. **Ordering for multiple SL#s or more than 300 users? Please contact Barb Hill at 800-462-5261, x45 to discuss facility pricing options.**
7. Prices listed are annual subscriptions, please indicate cycle needed below.
