

Industrial Hygiene Analysts Personnel Form

Name: LeRoy Dobson

Signature:

Classification: Chemist Supervisor

Date Hired: 3-7-94

Degree(s): Bachelor of Science - University of Wisconsin, Stevens Point

Major(s)/Minor(s): Chemistry Major

Number of years of industrial hygiene analysis experience: 14 Years

Number of years of other laboratory experience: 1.5 Years

Type of other laboratory experience:

- Environmental Laboratory - sample custodian

Training courses taken in the past years:

<u>Description</u>	<u>Date</u>
- Ion Chromatography Training	3/1994
- Chemical Hygiene Plan	Yearly
- Intro to LABUX Database System	7/1994
- Intro to UNIX	7/1994
- EXCEL	7/1994
- Wet Chemistry Methods	94/96
- X-ray diffraction	1/1995
- AA Graphite Furnace	3/1995
- Managing Change	
UW Office of Professional Dev & Training	1995
- Principles and Tools of Quality Training	
Cascade Training Team	6/1995
- Silicosis Special emphasis Program Training	
OSHA Training Institute	5/1996
- Dionex Seminar	
ION Chromatography Advances & New Instruments	10/1996
Fall Seminar Series	10/1995
- National Conference to Eliminate Silicosis	March 25, 26, 1997
Sponsored by Mine Safety & Health Admin, National Institute for Occupational Safety & Health, Occupational Safety & Health Admin, and American Lung Association	
-Fire Extinguisher Safety Course	
UW Safety	9/1997
-Overview of QC	
In-house by QC Officer, Derek Popp	10/1997
- SAE - In-house by QC Officer, Derek Popp	11/1997

- Accreditations - In-house by QC Officer, Derek Popp 02/1998
- ACRONYMS of IH Terms
 - In-house by Terry Burk, Director of Lab 2/1998
- Intermediate Excel 97
 - New Horizons 4/21/98
- Industrial Hygiene Calculations 5/20/00
 - AIHCE, PDC
- Isocyanates & Current Issues... 5/21/00
 - AIHCE, PDC
- HIPAA Privacy Rule Certificate of Training Completion
 - The University of Wisconsin-Madison 4/3/2003
- ASTM Symposium
 - Silica: Sampling and Analysis
 - Salt Lake City, UT April 22-23, 2004
- HPLC Training 7/2003 to 5/24/05
- ASTM Membership 8/1/05 – present
- ISO/TC 146/SC 2/W62 8/1/07 - present

AIHA member? No

Asbestos analyst? No

If “yes,” list provider and date of NIOSH 582 course:

Attach NIOSH 582 or equivalent certificate and course outline.
