*Please note: Any orders placed <u>before</u> 12:00 (noon) will be picked up <u>same</u> day. Orders placed <u>after</u> 12:00 (noon) will be scheduled for pickup on the following day.

You will receive a Confirmation of Order that will indicate the order number used for tracking. The order # is found under the shipping line on the screen.

Under the confirmation line there is a line marked Labels

- Click on the default to print out a label for each envelope
- o Place label on each envelope with barcode facing out
- Seal envelope and place in designated location for pickup

Preparation of the WSLH – Newborn Screening Addressed Envelope

- ONLY WSLH Newborn Screening envelopes should be used for shipment. These envelopes and the transparent label pouches for the shipping labels are provided to you by contacting Purple Mountain Solution (715-839-9989)
- Using a WSLH Newborn Screening addressed envelope, add your facility name to the CLIENT LOCATION line in the top left-hand corner of the envelope
- Enter Today's date on the DATE line in the top left-hand corner of the envelope
- Write the # Of Cards Enclosed in the box in the upper left-hand corner of the envelope
- o Place the printed default label in the transparent pouch with the barcode facing out
- o Affix the transparent pouch on the backside of each envelope so the barcode is visible Place the dried Newborn Screening cards in the envelope
- Seal the envelope and place in your facilities designated location for pickup

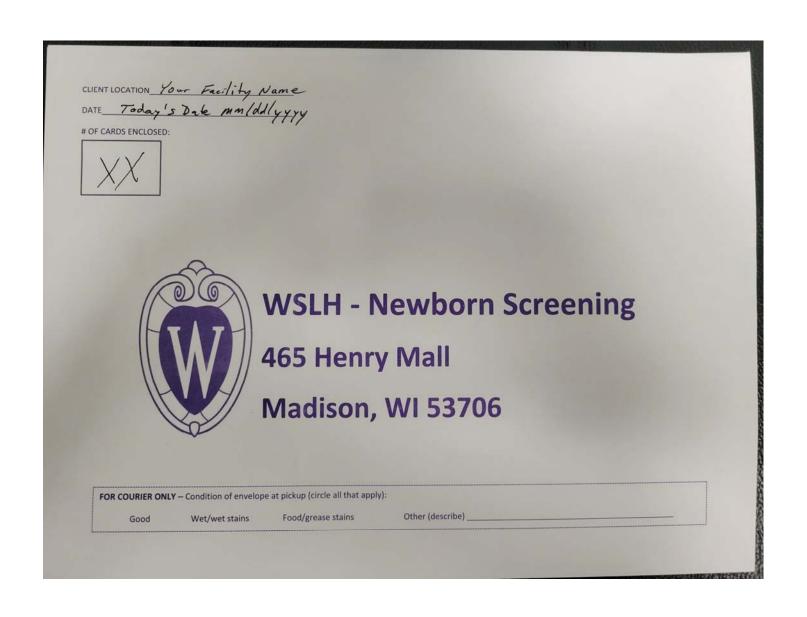

Please note pickup times can vary day to day. Pickups occur from 12:30 to 18:00
