Gram Stain Fundamentals 2018

**A Wet Workshop
for
Wisconsin
Laboratories**

June 22, 2018

**Waukesha County
Technical College
Pewaukee, WI**

**Wisconsin Clinical
Laboratory Network**

Program

This one half-day session is being presented by the Wisconsin State Laboratory of Hygiene for Wisconsin clinical laboratory professionals. The workshop will provide “hands on” training in Gram stain techniques used in clinical microbiology. **Class size is limited to 20 individuals.** The participants will be able to practice staining, reading and reporting Gram stains from clinical specimens. Quality control and troubleshooting techniques will also be discussed. Warning signs indicating a possible bioterrorism agent will be reviewed.

Target Audience

This workshop is intended for laboratory professionals currently working in a Wisconsin laboratory. **The workshop is designed to provide training to the “inexperienced” technologist or the “Generalist” who rotates through microbiology.** The workshop is not intended for the experienced technologist or microbiologist.

Special Needs

In compliance with the Americans with Disabilities Act (ADA), individuals requiring special accommodations must notify the program coordinator no later than one month prior to the workshop date.

Agenda

- 7:30 a.m.** Registration and Refreshments
- 8:00 a.m.** Introductions
- 8:15 a.m.** “What’s That Gram Stain” (lecture)
- 9:30 a.m.** Break
- 9:45 a.m.** Wet Workshop Activities:
- ❖ Staining, Reading and Reporting of Prepared Primary Specimen Gram Stains
 - ❖ Staining and Reading Gram Stains from Culture Growth
 - ❖ Staining Blood Cultures
 - ❖ Wet Mount Motility Testing
- 12:00 p.m.** Adjourn

P.A.C.E® Credits

P.A.C.E.® credits will be available for the workshop and a certificate of participation will be granted as continuing education.

This program is co-sponsored by ASCLS-WI which is an approved provider of continuing education programs in the clinical laboratory sciences by the ASCLS P.A.C.E.® Program.

Fee

This workshop is offered at no charge

Registration

Pre-registration is required. Class size is limited to 20 individuals, so register early. A confirmation of registration will be sent via e-mail prior to the workshop date.

Preferred Method of Registration - Online at:
