

IMPORTANT NOTIFICATION

FOR

Friday, July 3, 2020!

WSLH Newborn Screening has made **special arrangements for pick-up** of your newborn screening specimens on **Friday, July 3rd**.

No pick-up or delivery by UPS Small Package Services on Saturday, July 4th.

To ensure newborn screening specimens are **delivered for testing on Saturday, July 4th**:

- Arrange for pick-up through **UPS Express Critical** using the form and instructions provided. Follow instructions for charges to be covered by WSLH.
 - **Contact UPS Express Critical by email or phone on Friday, July 3rd between 5AM and 11AM.**
 - **UPS Express Critical will arrange for a Gold Cross Courier Services driver to pick up your newborn screening specimens. The driver may come any time after 11AM on Friday, July 3rd; afternoon to early evening pick-up times are expected. Please plan accordingly.**
 - **Promptly notify WSLH Newborn Screening of any courier-related concerns.**
- **If you miss the 11AM cut-off time for scheduling through UPS Express Critical, arrange for pick-up as you would routinely, using the portal for scheduling a pick-up by UPS small package (ROW), UPS Pickup Point Placard, or a drop box serviced on Friday, July 3rd.**
 - **Any packages picked up by your regular UPS service on Friday, July 3rd will be scheduled for delivery on Monday, July 6th.**
 - **No other pick-up or delivery services will be provided on the holiday weekend.**
 - **Normal UPS pick-up and delivery services resume on Monday, July 6th.**

The WSLH Newborn Screening Laboratory is operating on Saturday, July 4th.

Specimen Receiving hours for newborn screening specimens at the WSLH Henry Mall location are 7AM-Noon.

If you have any questions or concerns, please call WSLH Newborn Screening at 608-262-6547.
