

WisCon exceeded our expectations. The consultant was wonderful to work with on all of our safety programs. Very professional and a wealth of knowledge.

Extremely happy with our consultant, can't say enough good things regarding the help. We plan to schedule again!

Our consultant was wonderful to work with! She was knowledgeable in subject matters related to our business and provided helpful feedback. The reports were clear and concise. She was also available to answer any questions we had. Very professional service. Highly recommend!

Our consultants provided beneficial information, which helped us improve our safety program. The IH data has helped support our PPE program and the finding during the walk-through have kept us in compliance with the OSHA standards. Thanks to all for helping with this effort!

Our consultant was an amazing professional to work with! She is very knowledgeable and helpful with any and all questions asked. We would welcome her back anytime!

Our consultant was extremely knowledgeable and helpful in the OSHA standards. He was also extremely friendly, understanding and easy to work with.

Our consultant has been an exceptional tool in helping us get through a tough time. I would recommend this service to anyone in need. Very good at answering questions as well.

Our consultant was very helpful with every aspect of the walk-through and air testing, which was very beneficial to me since I am a newcomer to the process.

Our consultant was excellent to work with. Very knowledgeable, thorough and really made it clear what we needed to do and helped with a pathway to get it done!

Our consultant was wonderful! Did a great job of explaining everything and providing great materials to make figuring out safety plans easier. Our consultant was great to work with!

Our consultant has been to our facility before and it is always a pleasure to have him back. His inspection was both thorough and insightful. His keen eye and genuine concern for the safety of our employees is a valuable asset for us.

Our consultant provided great resources to improve our safety culture.

Our consultant was very knowledgeable and resourceful. He made sure to walk around show us things and took time to answer our questions.

Our consultant was wonderful to work with. Friendly, excellent at communicating issues and adept at suggesting solutions for us!

WisCon was excellent to work with!
