Creating a New User on lynnpeavey.com

Before placing an order for the Wisconsin Implied Consent Blood Draw Kit, you will need a Lynn Peavey website account. If you already have a Lynn Peavey website login, you do not need to create a new account. You may continue to use your existing username and password to place orders. If you do not currently have an account, the following instructions will walk you through registering, logging in, and entering the billing and shipping information needed to order Wisconsin Implied Consent Blood Draw Kits.

When creating your account, please enter your department's normal billing address, even though your facility will not be billed for Wisconsin Blood Draw Kits.
